BVG NOW HIRING
ADVERTISING SALES REP – PRINT & DIGITAL

Brandon Valley Media Group, L.L.C. is the parent company of the community weekly newspaper, the *Brandon Valley Journal*, and shopper, *Brandon Valley Trader*, located in the thriving community of Brandon, S.D. Our coverage area is the Brandon Valley School District, which encompasses the communities of Brandon, Valley Springs, Corson, Rowena and Eastern Sioux Falls.

Brandon Valley Media Group, LLC has an opening for a talented, creative, enthusiastic and self-motivated advertising sales (print and online advertising) representative with a team-like attitude. We are looking for a self-driven person with a strong work ethic and a determination to help us meet and/or exceed sales and revenue goals. Candidates should be able to develop creative campaigns and proposals to help local and regional clients achieve their business and marketing goals with our advertising offerings that include a weekly newspaper, shopper, website, various special sections and magazine publications: *Destination Brandon*, *South Dakota* and the *Valley Springs Community Guide*.

This is a full-time (Monday thru Friday), base salary plus commission position.

If you are interested in an opportunity for growth, great earning potential and joining our team, please email/send cover letter and resume to Jill Meier, Publisher/Editor at editor@bvjournal.info or BV Journal, P.O. Box 842, Brandon, SD 57005 or to learn more, call (605) 582-9999.

Other Requirements

- Previous sales experience a plus, but not required.
- Strong verbal and written communication skills, as well as computer skills.
- Outstanding relationship-building skills, solid networking skills and ability to develop business opportunities through a variety of channels.
- Knowledge/experience of advertising layout/design.
- Ability to work independently and meet deadlines.
- A team-like attitude is essential.
- A valid driver's license and reliable transportation is required, as well as proof of insurance.
- Ability to interact with all facets of the community.

Coming in tomorrow's

BRANDON VALLEY Journal

It's "Pomp and Circumstance" time, folks, and this week, the *Brandon Valley Journal* honors Brandon Valley High's graduating class of 2021 in a special section titled, "A Year at the Top."

The *Journal* also brings you reports from Monday's school board meeting and more from the May 3 Brandon City Council and May 4 Minnehaha County Commission meetings.

Brandon was all abuzz last week with the town's annual citywide rummage sales. With just shy of 200 sales listed on the brandonrummages.com website, there were plenty of deals to be had in nearly every neighborhood of the city.

The Lady Lynx track and field team roared their way to the top of the Metro Conference to claim the title, and the Lynx boys finished in second. The *Journal* captured the action in both words and pictures. Plus, we've got reports from baseball, boys tennis, girls golf and results from the opening weekend of racing at Huset's Speedway.

The *Journal* closes out its series on BVSD's retiring educators. This week, middle school secretary Nancy Brown reflects on her 29 years in this position.

If you're a subscriber, thanks for reading! If you're not, what are you waiting for? Give us a call at 582-9999 so you can be in the know of everything that's "Coming in Tomorrow's *Brandon Valley Journal*!"

Ask the Motor Medics®

Automotive Advice from The Under the Hood® Show

Dear Motor Medics,
I have a 2017 Honda Civic and I have let it sit for a month and when I tried to start it the engine did start but once it fired every warning light you can think of came on. The message center also is giving error messages. I tried to disconnect the battery for ten minutes then I restarted it and it did the same thing. I have heard that the wiring may have been eaten by a rodent since I am seeing evidence of a rodent under the hood. Is this possible.

Nathan in Sachse Texas

It is possible that you have a rodent problem. Some cars are made with soybean-based wiring covering which we believe is for environmental reasons. It can be an attractive food source for rodents and an awfully expensive fix. We once had a van in our shop four times for repair to the same wire at the same spot because of a hungry mouse. Before you get too excited about the high costs involved with a wiring repair of this nature make sure to have your shop check the basics. It could be as simple as the battery being low and when the car started it caused the computers to get disrupted which is causing all the lights. It may be as simple as resetting the computers and possibly charging the battery. A Battery maintainer is a good idea when a car is parked for extended periods.

Take care, The Motor Medics

Dear Motor Medics,
My car is a 1995 Buick Roadmaster Sedan and after getting it out of storage for the summer cruising season I have noticed that it pushes coolant out of the overflow bottle after it runs for only ten minutes. It does this hot or cold and I must add almost a gallon of coolant every time it does this.

Bob in West Bend Indiana

Buick Roadmasters have started to become a collectable car, something we never thought we would see but here they are. The V8 engine LT1 powered car is extremely popular with customizers and cruisers. The engines are tough but at the age yours is it may have one or two issues with the cooling system. If you have not had a thermostat replaced in many years, or never then its time for one. This does not eliminate any other issues though. We would also perform an exhaust gas check of the cooling system to see if there are any exhaust gasses present in the coolant indicating that the engine has a head gasket leaking. If the gasket leaks or if the head is cracked the pressure can cause coolant to be pushed out of the system necessitating adding coolant often. These engines are simple compared to today's dual overhead cam cars so if engine work does need to be done hopefully it will be at an affordable price and you can get this beauty back on the road.

Take care, The Motor Medics
